DAY 1

Transfer to Shepherd's camp from Bishkek with your guide. Meeting with family, having lunch. Gaining insights into their integral role in the nomadic way of life. Spend quality time with the shepherd's pets. Learning Kyrgyz cuisine through cooking dinner together. Unwind with an evening of board games. Connecting with the shepherd's family on a personal level.

DAY 2

After breakfast Explore the art of horseriding. Learn the essentials of preparing a horse for a ride, enhancing your connection with these majestic animals. Having horseback riding to waterfall, making picnic with the wonderful view. Teaching family how to cook your favourite dish for dinner. (If you wish)

DAY 3

Cooking our national bread “Boorsok” having last breakfast with family. Farewell with your new friends, getting presents from them (depends on your successes of learning). Going to Bishkek, having lunch in Kochkor.

1) In the modern world, where work and personal success take precedence over us, we often forget to dedicate time to our close people and ourselves. To discover something beyond work and the daily routine.

2) When we were creating our trips, it was important for us to ensure that everyone could find something special/ what you were looking for. Xplore Kyrgyzstan inviting you to spend best vacations with our team. Enjoy with every part of our trip with harmony of nature and the best sceneries of our country.

3) We are creating unique experiences, through connecting with nature and immersing in the authentic of Kyrgyzstan. Our guides and staff ensure safety and joy at every stage of your journey. From well planned itineraries to personalized attention.
